A Day of Favor Today is also a day of favor. You have been humbly called to offer a kindness to someone, yourself or another. As you stand in need of a kindness, you have been graciously invited to extend a kindness to someone else. A blessing can be offered or received on this day. There are three levels of blessings in Christianity. The first is that God offers a blessing, and we receive it. Jesus said, "He who receives you receives me" (John 13:20). If God's blessings are no longer desired, they are still available. The second level is God offers a blessing, and we give it. Jesus said, "If anyone wants to become great, he must be your servant, and the slave of all. You have the right to be great, but you cannot use this right unless you become a servant" (Matthew 20:26). If God's blessings are no longer desired, they are still available. The third level is God offers a blessing, and we bestow it upon someone else. Jesus said, "If you do what I command, you will be my disciples, and you will know the love by which I have loved you" (John 15:10). If God's blessings are no longer desired, they are still available. The concept of 80eaf3aba8
